tell me about ur oc

Name?

now give them a smooch
and send them to bed
unless they're awful

tell me about ur oc
vol 4

Do they know about
someone who betrayed
them?

Is there any debt
they can't escape?

Does anyone hold a
grudge against them?

What have they done
to deserve
someone's hate?

Is there a group or
organization they
don't like?
